ISSUE 1

CANAAN TOWNSHIP
MORROW COUNTY, OHIO

CANAAN TOWNSHIP TRUSTEES

CANAAN TOWNSHIP ROAD 133
WIDENING AND RESURFACING

ROADWAY IMPROVEMENT

CANAAN TOWNSHIP, MORROW COUNTY, OHIO
LEGAL NOTICE

Sealed bids will be received at the Canaan Township Hall, 2170 State Route 95, Edison, Ohio until 6:30 p.m. on TUESDAY, JULY 14, 2026 for furnishing all labor, material and equipment necessary to complete the project known as OPWC Township Road 133 Improvements, and at said time and place, publicly opened and read aloud.

Contract documents, bid sheets, plan and specifications can be obtained by contacting trustees Matt Carwell, 419-295-0036; John Bayles, 419-845-3303; or Tyler Levering, 740-361-7212. You can also email canaantwp@gmail.com to request a pdf file of the bid packet. The bid packet is also available on the township website canaantwp.org.

Bids may be mailed or delivered personally and must be submitted in a sealed envelope marked clearly "OPWC Township Road 133 Improvements". Contact any of the trustees to make delivery arrangement. Mailed bids should be sent to Canaan Township, Jill Retterer, Fiscal Officer, 2605 County Road 59, Edison, Ohio 43320.

Each bidder is required to furnish with its proposal a Bid Guaranty and Contract Bond in accordance with Section 153.54 of the Ohio Revised Code. Bid security furnished in Bond form, shall be issued by a Surety Company or Corporation licensed in the State of Ohio to provide said surety.

Each proposal must contain the full name of the party or parties submitting the proposal and all persons interested therein. Each bidder must submit evidence of its experience on projects of similar size and complexity. The owner intends and requires that this project be completed no later than October 31, 2026.

All contractors and subcontractors involved with the project will to the extent practicable use Ohio products, materials, services, and labor in the implementation of their project. Additionally, contractor compliance with the equal opportunity requirements of Ohio Administrative Code Chapter 123 is required.

Bidders must comply with the prevailing wage rates on Public Improvements in Canaan Township, Morrow County, Ohio as determined by the Ohio Department of Commerce, Bureau of Wage and Hour Administration, 614-644-2239.

By order of the Canaan Township Board of Trustees. The Canaan Township Trustees reserve the right to waive irregularities and to reject any or all bids.

Jill Retterer
Fiscal Officer

BID CONDITIONS AND REQUIREMENTS FOR OPWC-ASSISTED CONSTRUCTION PROJECTS

1. The contractor shall furnish all labor, equipment, all materials, insurance, etc. to haul aggregate, mix, spread, compact, maintain traffic and all other pertinent jobs associated with Asphalt Concrete work not specifically mentioned above as per Item 441.
2. All bids shall be based upon unit price except as noted within specs.
3. Any exceptions to the specifications, terms and conditions to this notice to bidders and legal advertisement shall be clearly stated in letter form and shall accompany this bid.
4. All materials shall be in accordance with the latest edition of the ODOT Construction and Materials Specification manual and shall be subject to sampling and testing **unless noted in the specifications.**
5. Each bidder is required to furnish with its proposal, a Bid Guaranty and Contract Bond in accordance with Section 153.54 of the Ohio Revised Code, conditional that the bidder shall, if their bid is accepted, execute a contract in conformity to the invitation and their bid.
6. A 100% Performance Bond is required from the successful bidder upon award of the contract and before any work can begin.
7. The contractor may not begin work until they receive a "Notice to Proceed" by the Canaan Township Trustees. The latest date for completion of the work is October 31, 2026.
8. Unit prices must be bid on the Bid Sheet included with the bid package and must be signed by a representative of the Company.
9. Prevailing wage rates must be paid. Contractor must furnish a certified payroll showing conformance to this law.
10. Contractors must comply with the E-Verify Workforce Integrity Act, verifying the work authorization of all employees hired on or after March 19, 2026.
12. All contractors must carry Workman's Compensation, section 4123.01 O.R.C., Industrial and property damage insurance in the amount of \$1,000,000 dollars and provide such safety measure to protect public health and welfare, as provided in the pertinent codes of the State of Ohio governing working conditions and must submit certificates of Insurance (including liability, property damage, and vehicle liability insurance) and Worker's Compensation certificates with the bid.
13. This project is an OPWC Issue I Project. The contractor agrees to adhere to all rules and regulations of such Grant and must furnish all information required by OPWC.

14. The contract must fully complete all required forms included in Bid Proposal and Specifications Package.

- a) W-9 Form
- b) Delinquent Tax Affidavit
- c) EEO Compliance Certificate
- d) Bid Sheet
- e) Campaign Contributions Sheet
- f) Unresolved Finding Affidavit.

OPWC PROPSAL NOTES

1. STEEL PRODUCTS MADE IN THE UNITED STATES

Domestic steel use requirements as specified in Ohio Rev. Code §153.011, <https://codes.ohio.gov/ohiorevised-code/section-153.011>, apply to this project.

2. PREVAILING WAGES ON STATE PROJECTS WITH NO FEDERAL-AID (Should this project contain Federal-aid funds then Federal Prevailing Wages must be paid. Contact the appropriate Federal funding agency for language.)

This contract is subject to Ohio Prevailing Wage Laws, Ohio Rev. Code Chapter 4115 and the Prime Contractor and all subcontractors shall comply with all provisions contained therein or as otherwise provided by this note. The Prime Contractor guarantees that the prevailing wage scale to be paid to all laborers and mechanics employed on this contract shall be in accordance with the schedule of the prevailing hourly wage and fringe benefits as determined by the Ohio Department of Commerce for the county in which the work is being performed. The failure to pay prevailing wages to all laborers and mechanics employed on this project shall be considered a breach of contract. Such a failure may result in the revocation of the Prime Contractor's and/or subcontractor's certificate of qualification and debarment. A schedule of the most current prevailing wage rates may be accessed by registering / logging in to the Prevailing Wage Portal maintained by the Ohio Department of Commerce at the following web address:

<https://pwr.com.ohio.gov/>.

The Prime Contractor and all subcontractors shall compensate the employees on this contract at a pay rate not less than the hourly wage and fringe rate listed on the website noted above, for the applicable job classification or as may be modified by the Ohio Department of Commerce, Division of Labor and Worker Safety Wage and Hour Bureau, when new prevailing rates are established.

Overtime shall be paid at one and one-half times the basic hourly rate for any hours worked beyond forty hours during a pay week. The Prime Contractor and all subcontractors shall pay all compensation by company check to the worker and fringe benefit program.

The wage and fringe rates determined for this project or as may be later modified, shall be posted by the Prime Contractor in a prominent and accessible place on the project, field office, or equipment yard where they can be easily read by the workers or otherwise made available to the workers. On the first pay date of contract work the Prime Contractor and all subcontractors shall furnish each employee covered by prevailing wage a completed form (WHPW-1512) in accordance with Ohio Rev. Code § 4115.05, showing the classification, hourly pay rate, and fringes, and identifying the public authority's Prevailing Wage Coordinator, if such employees are not covered by a collective bargaining agreement or understanding between employers and bona fide organizations of labor. These forms shall be signed by the Prime Contractor or subcontractor and the employee and kept in the Prime Contractor's or subcontractor's payroll files.

The Prime Contractor shall submit to the Prevailing Wage Coordinator, certified payrolls for Prime Contractor and all subcontractors on form WHPW-1512 or equivalent, in accordance with Ohio Rev. Code Sections 4115.07 and 4115.071(C), three weeks after the start of work and every subsequent week until the completion of the contract. Additionally, a copy of the "Apprentice Certification" obtained from the Ohio State Apprenticeship Council, must accompany all certified payrolls submitted, for all apprentices working on this project. Upon completion of the contract and before the final payment, the Prime Contractor shall submit to the Prevailing Wage Coordinator a final wage affidavit in accordance with Ohio Rev. Code § 4115.07 stating that wages have been paid in conformance with the minimum rates set forth in the contract. Please be aware that it is ultimately the responsibility of the Prime Contractor to ensure that all laws relating to prevailing wages in Ohio Rev. Code Chapter 4115 are strictly adhered to by all subcontractors.

The Prime Contractor and all subcontractors shall make all its payroll records available for inspection, copying or transcription by any authorized representative of the contracting agency. Additionally, the Prime Contractor and all subcontractors shall permit such representatives to interview any employees during working hours while the employee is on the job.

3. UNRESOLVED FINDING FOR RECOVERY

The Prime Contractor affirmatively represents to the local contracting authority that it is not subject to a finding for recovery under Ohio Rev. Code § 9.24, or that it has taken the appropriate remedial steps required under §9.24 or otherwise qualifies under that section. The Prime Contractor agrees that if this representation is deemed to be false, the contract shall be void ab initio as between the parties to this contract, and any funds paid by the state hereunder shall be immediately repaid to the local contracting authority, or an action for recovery may be immediately commenced by the local government and/or for recovery of said funds.

4. OHIO WORKERS' COMPENSATION COVERAGE

The Prime Contractor must secure and maintain valid Ohio workers' compensation coverage until the project has been finally accepted by the local contracting authority. A certificate of coverage evidencing valid workers' compensation coverage must be submitted to the local contracting authority before the contract is executed. The Prime Contractor must immediately notify the local contracting authority, in writing, if it or any subcontractor fails or refuses to renew their workers' compensation coverage. Furthermore, the Prime Contractor must notify the local contracting authority, in writing, if its or any of its subcontractor's workers' compensation policies are canceled, terminated or lapse. The failure to maintain valid workers' compensation coverage shall be considered a breach of contract which may result in the Prime Contractor or subcontractor being removed from the project, withholding of pay estimates and/or termination of the contract.

5. DRUG-FREE WORKPLACE PROGRAM

In accordance with Ohio Rev. Code §153.03 and during the life of this project, the Prime Contractor and all its Subcontractors that provide labor on the Project site must be enrolled in and remain in good standing in the Ohio Bureau of Worker's Compensation ("OBWC") Drug-Free Workplace Program ("DFWP") or a comparable program approved by the OBWC.

6. OHIO PREFERENCE

In accordance with Ohio Rev. Code §164.05 (A)(6), to the extent practicable, the Prime Contractor and subcontractor shall use Ohio products, materials, services, and labor in connection with this project. 7

7. BID GUARANTY

In accordance with Ohio Rev. Code §153.54, the Prime Contractor shall file with the bid a bid guaranty in the form of either: 1) a bond for the full amount of the bid, or 2) a certified check, cashier's check, or letter of credit equal to 10% of the bid.

8. OHIO ETHICS LAW

The Prime Contractor agrees that it is currently in compliance and will continue to adhere to the requirements of Ohio Ethics law as provided Ohio Rev. Code sections 102.03 and 102.04.

9. STATE OF OHIO EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

NOTICE TO CONTRACTORS:

The provisions of Ohio Rev. Code §153.59 regarding discrimination and intimidation on account of race, religion, sex, disability, national origin or ancestry are applicable to this project, and each contractor will be required to comply. Throughout its performance of any contract awarded to it on this State-assisted project, the prime contract bidder agrees to the following covenants:

(1) In the hiring of employees for the performance of work under the contract or any subcontract, no contractor, subcontractor, or any person acting on a contractor's or subcontractor's behalf, by reason of race, creed, sex, disability or military status as defined in Ohio Rev. Code §4112.01, or color, shall discriminate against any citizen of the state in the employment of labor or workers who is qualified and available to perform the work to which the employment relates;

(2) No contractor, subcontractor, or any person on a contractor's or subcontractor's behalf, in any manner, shall discriminate against or intimidate any employee hired for the performance of work under the contract on account of race, creed, sex, disability or military status as defined in Ohio Rev. Code §4112.01, or color.

>>>The prime contract bidder hereby adopts the foregoing covenants? ___ Yes ___ No

ASPHALT CONCRETE PAVEMENT SPECIFICATIONS

1.0 SPECIAL NOTES

- 1.1 A preconstruction meeting will be required.
- 1.2 Completion date for the project is October 31, 2026.
- 1.3 Prevailing Wage Certification shall be submitted with all invoices.
- 1.4 A flagger shall be stationed at each point of closure (intersection) to direct traffic. Through traffic will be diverted around the closed area. Local traffic (residences and business) within the closure shall be provided access.

2.0 SUPPLEMENT SPECIFICATIONS

- 2.1 No bridge shall be resurfaced without prior authorization of the County Engineer.
- 2.2 Authorization may be given for reduced asphalt thickness on bridge decks and approaches thereto.
- 2.3 When bridge decks are resurfaced, the asphalt shall extend the full width and length of the deck.

3.0 REFERENCE

- 3.1 All references to specification numbers, unless otherwise noted on the plans or modified herein, shall refer to the respective section thereof in the Ohio Department of Transportation publication of Construction and Materials Specifications, latest edition.
- 3.2 The requirements of Section 400 of the Ohio Department of Transportation publication of Construction and Materials Specifications, latest edition, shall be used on this project, except as modified herein.
- 3.3 Section 401.20 of the Ohio Department of Transportation publication of Construction and Materials Specifications, latest edition. An asphalt binder price adjustment will not be applicable on this project.
- 3.4 Item 441 Section 441.03 Density. Density gauge testing may be required no matter the length of the project.

4.0 APPROVALS

At or before the preconstruction meeting, the contractor shall submit the following for approval:

- 4.1 A printed schedule showing the interrelation and planned performance of all major items of work.
- 4.2 A list of key project personnel (Project Engineer/Manager, Project Superintendent, etc.) with office and mobile phone numbers to be used by the Township and staff.
- 4.3 A list of the paving equipment that will be used on this project (self-propelled paver, roller, distributor, etc.).
- 4.4 A list of proposed materials and suppliers.
- 4.5 The aggregate producer's current testing (including quality data) documentation for all stone property requirements of ODOT Item 703.05.
- 4.6 A list of subcontractors and key personnel representing each.
- 4.7 The proposed Job Mix Formulas (submitting in ODOT format).
- 4.8 The Canaan Township Trustees office will respond to the items submitted within two (2) weeks. If an item is not approved, the contractor will have two (2) weeks from the time

of notification to resubmit; the Engineers office will respond within two (2) weeks of resubmission. No mix shall be produced until approval is granted.

5.0 QUALITY ASSURANCE REPRESENTATIVE

The Township may employ an independent testing laboratory to monitor the work. The contractor and supplier will cooperate with the County and/or their representative by furnishing any information pertaining to the project upon request.

- 5.1 The Township's QAR shall be notified 72 hours prior to initial production and 24 hours minimum thereafter prior to any daily production exceeding 200 tons.
- 5.2 The Township and/or their representative will have access to any and all operations used in the production and placement of the work.
- 5.3 The QAR may check mix in the supplier's laboratory for comparison.
- 5.4 The Contractor may check density in the field regardless of the length of placement. See Section 4.4.
- 5.5 Testing frequency requirements may be increased or decreased by the QAR if concerns arise with respect to the reported test data.
- 5.6 The presence of Quality Assurance Monitors and/or Construction Inspectors does not relieve the producer or the contractor from meeting the specification requirements and using proper construction practices.

6.0 ASPHALT BINDER

- 6.1 The mix producer will furnish performance grade PG64-22, ODOT Item 702.01, for all courses.

7.0 RECLAIMED ASPHALT

- 7.1 Use of Recycled Pavement is permitted according to ODOT Item 401.04.

8.0 WORKMANSHIP

In addition to all other specifications governing workmanship and construction methods as detailed in 401.15, the following specifications will become part of this contract:

- 8.1 "Folding" of the hopper wings is prohibited. Material that forms in the corners of the hopper shall be manually thoroughly scraped through an established protocol by the contractor to ensure the safety of the person(s) tasked with the scraping of the hopper. Scraping of this material shall be done often enough to ensure that the temperature of the material in the hopper corners does not cool to the extent that the material does not move freely through the hopper to the augers. The paver hopper should have enough material that the scrapings will mix well through the augers. The material shall cover the flow gates.
- 8.2 The slat conveyor shall not be visible at the sides when the sides of the hopper are cleaned, or become visible during the paving process. Ensure adequate material in the paver hopper at all times during mix placement.
- 8.3 Obvious end load segregation due to failure to implement proper workmanship shall result in a 90% pay factor applied to the days production based on the unit bid price.
- 8.4 In addition to Table 401.06-1 for minimum surface temperatures. Air temperatures must be 50°F and rising for all mixes.
- 8.5 Finished surfaces shall be smooth to a tolerance of 1/4" in 10 feet.

9.0 PLANT PRODUCTION

- 9.1 Computer data: The plant computer shall be operational at all times. Should a printer problem or other technical difficulties arise, the problem shall be corrected immediately. The plant operator will inform the laboratory of any computer malfunctions and what corrective action has to be taken. Should the problem not be corrected in a timely manner, production will cease.
- 9.2 Throughout production, the computer printouts shall be reviewed, and at the end of each day's production, the computer printouts shall be given to the laboratory to be reviewed by the Township's Quality Assurance Representative and submitted to the Township upon request.
- 9.3 The switching of mixes while in production from mixes with coarse aggregate (larger than 1/2") to surface course shall not be allowed by the Township's Quality Assurance Representative.
- 9.4 The presence of extraneous material, primarily dust balls from the plant in the mix shall be cause to immediately cease production until corrective action is taken.
- 9.5 Mix quantities in the silo shall be kept to a level to minimize segregation. Silo configuration, batcher capacity and timing will determine this quantity.
- 9.6 Trucks shall be loaded in three drops to minimize segregation. The rear, front and then the middle shall be loaded as recommended by the Asphalt Institute.
- 9.7 Mix temperatures shall not vary by more than 20°F from one truck to another.

<u>MIX TYPE</u>	<u>MIN. TEMPERATURE</u>	<u>MAX. TEMPERATURE</u>
Type 1	280°	*325°
Type 2/301	280°	*325°

Mixes containing modifiers will be in accordance with manufacturer's recommendations. Mixes produced with modified cements shall be a minimum of 300°F at the paver.

*Temperatures exceeding 325°F will not be rejected, but notification will be given to the plant to bring the temperature within range. Mixes exceeding 350°F will be rejected. If the mix is not brought within range within two trucks, production will cease until the cause is identified and corrected.

- 9.8 Truck beds shall be clean and sprayed with a uniform coating of release agent. Excess release agent and puddling in the beds will not be acceptable. The release agent shall be operational at all times; with any water dilutions within the manufacturer's recommendations. The use of a fine spray of diesel on the apron and latches of the tailgate is allowed.
- 9.9 **DIESEL FUEL IN TRUCK BEDS IS NOT ALLOWED.** The plant operator shall monitor truck preparation. Trucks that do not comply should be put on notice.
- 9.10 Changes in bin percentages to bring the mix into conformity with the JMF shall be documented on the TE-199 under mix proportions.

- 9.11 Aggregate and reclaimed moisture contents entered into the computer shall be from current laboratory testing and adjusted only as moisture conditions change. Adjustments to the computer moisture entries will not be allowed without test verification.
- 9.12 When producing mixes that include reclaimed asphalt, production rates (TPH) will be set at a rate that will produce a sufficient blending of the reclaimed and virgin aggregates.
- 9.13 The asphalt cement specific gravity from the transport tickets shall be entered in the computer and adjusted only as transport tickets dictate.

10.0 PROCEDURES FOR OPERATIONS

- 10.1 All work associated with this contract shall be performed between 6:30 A.M. and 8:00 P.M. Monday through Friday.
- 10.2 Notice of Saturday work shall require a minimum of 24-hour notice (on a week-by-week basis) and must be approved by the Township.
- 10.3 If conditions are acceptable, daily work hours may be extended with approval from the Township.
- 10.4 No work will be permitted on Sunday without written permission from the Township.
- 10.5 The contractor shall notify the Township 48 hours prior to the start of operations.
- 10.6 If the contractor suspends operations on this contract for more than 3 working days (excluding holidays and weekends) the contractor shall notify the Township 48 hours prior to resuming operations. The contractor may make rescheduling arrangements with the Township prior to suspending work, but the contractor will be responsible for notifying the Township of any changes to any established arrangements.
- 10.7 These requirements are to be followed by the general contractor and any sub-contractor on this project.
- 10.8 Damage to areas outside of the designated work limits as a result of the operations of the contractor, subcontractor, or duly appointed agent shall be repaired at the contractor's expense.
- 10.9 Excavated areas will be secured prior to the end of each working day and will have adequate protection until such time the areas no longer pose a risk to the public.
- 10.10 Stockpiling of materials overnight on the job site will not be permitted.

11.0 COORDINATION WITH THE OHIO UTILITIES PROTECTION SERVICE

- 11.1 Call before you dig. 1-800-362-2764

12.0 PAVMENT

- 12.1 Pavement widths as described on individual bid sheets.
- 12.2 The pavement shall be resurfaced to its full width or to a width determined by the Township in the field.
- 12.3 If the contractor's operation is unable to produce an accurate and consistent edge; the contractor may be directed by the Township to use a string line when placing asphalt courses.

13.0 JOINTS

13.1 Open longitudinal joints shall not be permitted; however, when a cold joint is unavoidable, its vertical face shall be uniformly coated with bituminous material, as per sections 401.17 of the ODOT Specifications.

13.2 All cost related to performing this work shall be included in the unit price bid for all courses.

14.0 SEALING FEATHERS AND BUTT JOINTS

14.1 A well-bonded and sealed joint is required.

14.2 Where the asphalt surface required to be feathered to meet an adjoining surface, excluding private driveways, the completed feathered surface and adjacent existing surface shall be coated with a thick coat of rubberized crack sealant approximately 8" width.

14.3 Traffic shall not be permitted on the sealed joint until the asphalt cement has cooled sufficiently to prevent tracking.

14.4 The bituminous material used and the cost of sealing the joints as described above shall be included in the unit price bid for Item 441 – Asphalt Concrete.

15.0 DRIVEWAYS

15.1 Throughout the duration of the project, the contractor shall maintain ingress and egress to all driveways at all times.

15.2 All asphalt driveways shall be feathered to a minimum of 4 feet from the pavement edge or as directed by the Engineer. A sufficient quantity of Item 441 – Asphalt Concrete Surface Course has been included in the general summary for this work.

16.0 MAILBOXES

16.1 Mailbox approaches shall be constructed of their respective materials based on existing conditions and/or as directed by the Engineer. A sufficient quantity of required material shall be included in the general summary for this work.

16.2 The approaches shall be constructed in such a manner as to maintain proper cross slope and elevation with the adjacent pavement and berm.

17.0 BERMS

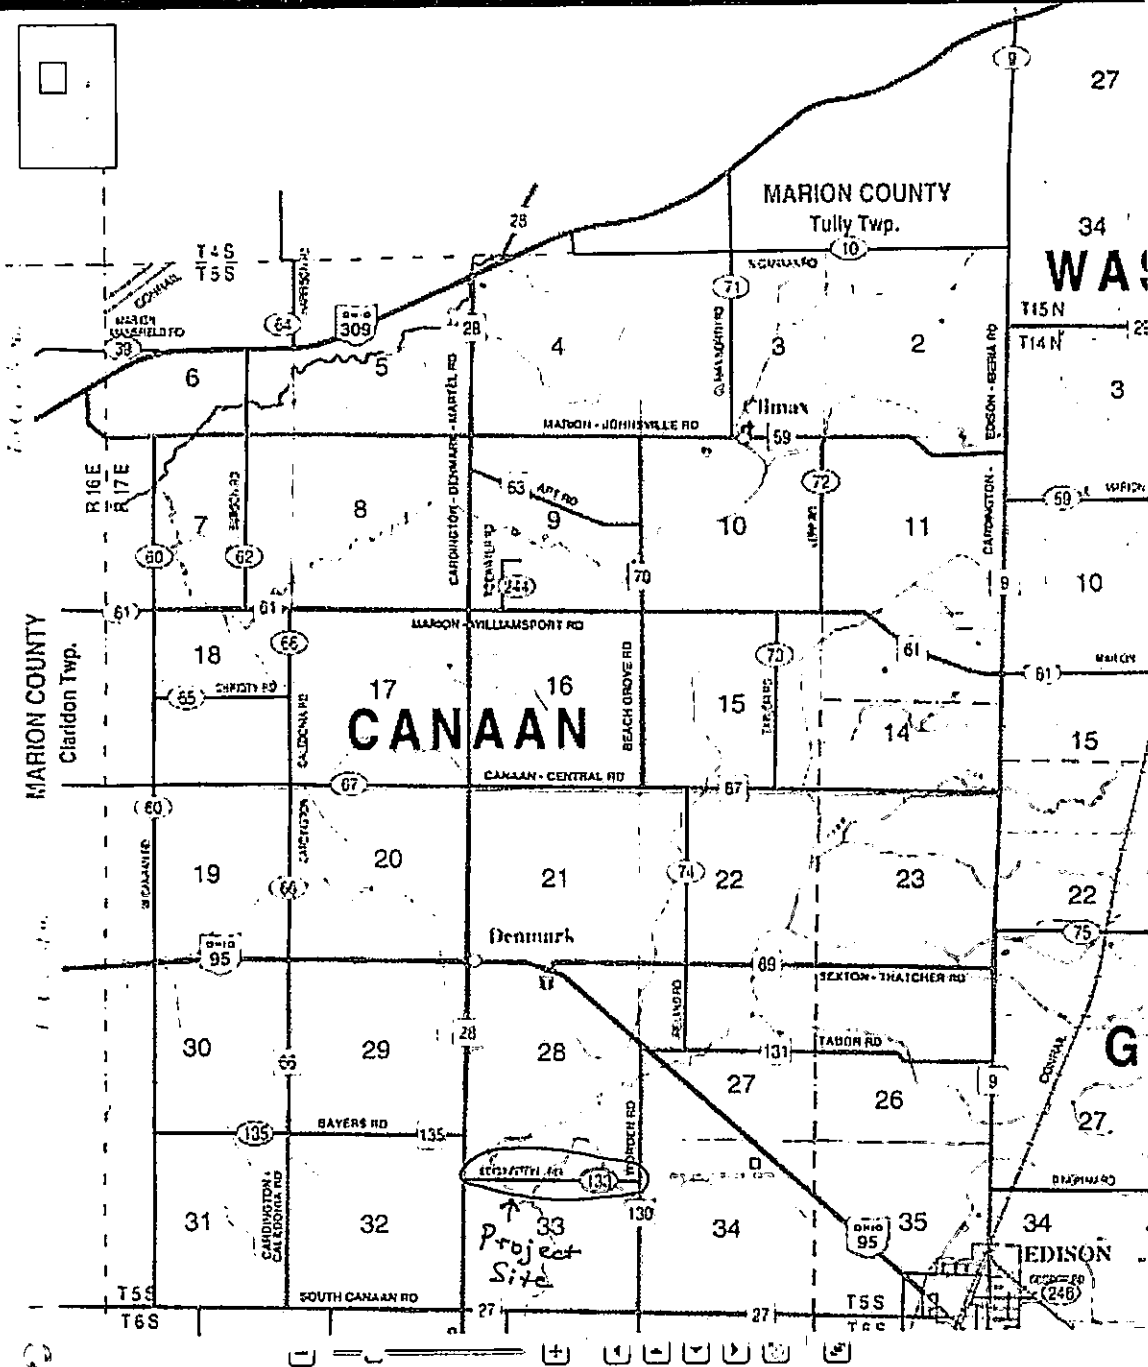

17.1 The Contractor will be responsible for this work according to the bid sheet.

THE CANAAN TOWNSHIP TRUSTEES OF MORROW COUNTY, OHIO

The undersigned, having full knowledge of the site, plans and specifications for the following improvements, and the conditions of this proposal, hereby agrees to furnish all services, labor, materials and equipment necessary to complete the entire project, according to the plans, specifications and completion dates and to accept the unit prices specified below for each item as full compensation for the work in this proposal.

Date set for completion: October 31, 2026.

Contractor _____ By _____

The following list specifies the amount and type of materials to be used, as well as the application process to be used.

Widening and resurfacing 1 mile TR 133 in Canaan Township

Beginning at CR 28 then east to CR 130: 0.33 miles (1,745 feet) x 16' wide (existing pavement width) – Proposed width 16' wide.
0.67 miles (3,535 feet) x 12' wide (existing pavement width) – Proposed width 16' wide.

ITEM 441 HOT MIX

Ref. No.	Item No.	Approx. Quantities	Units	Description	Unit Price Bid	Total Amount
1	203	537	CY	Berm Excavation (6" deep x 24" wide)		
2	304	269	Ton	Aggregate Base - 3"		
3	301	269	Ton	Asphalt Aggregate Base - 3"		
4	407	1,502	GAL	Tack Coat @ 0.08 gal/sy (2 applications)		
5	441	535	Ton	Asphalt Concrete, Intermediate course, type 1 – 1"		
6	441	535	Ton	Asphalt Concrete, Surface course, type 1 – 1"		
7	411/617	131	Ton	Shoulder aggregate (1.0' x 2")		
		1	LMP	Contingencies	xxxxxxxxx	\$17,990
				TOTAL BID		

1. Material for widening each side of TR 133 beginning at CR 28 then east 3,535 LF, by removing 6" of existing berm by 2 foot wide, installing 3" of 304 aggregate base, installing 3" asphalt aggregate base. Suspend and resume work at the bridge (40' long).

2. Material for paving full length of 1.00 mile by applying a 407 tack coat (0.08 gal/sy), installing 1" of 441 asphaltic scratch course full width (16'), applying 407 tack coat (0.08 gal/sy) installing 1" of 441 asphaltic surface course full width (16'), installing 411/617 aggregate shoulder material. Suspend and resume work at bridge (40' long).

The total amount of the bid, based on the approximate quantities given and the unit prices specified by the bidder amounts to the sum of \$ _____ dollars.

PLEASE CHECK APPROPRIATE BOX

- NO CONTRIBUTION
- \$1,000.00 or LESS- INDIVIDUAL
- \$2,000.00 or MORE -INDIVIDUALS, PARTNERS AND SHAREHOLDERS OF THE SAME FIRM

***NOTE:** Under the new law which took effect April 4, 2007, any bid or unbid contract, including purchase orders, for goods and services with a value of more than \$500 will require the vendor to certify to the contracting authority that the vendor has not made a contribution to the contracting authority in an amount that exceeds the limits provided by law.

The limits are generally \$1,000 per an individual and \$2,000 for individuals, partners and shareholders of the same firm. The contributions are aggregated among owners, partners, family members and shareholders so that even if the contributions are less than \$1,000 they may trigger the prohibition if they exceed \$2,000 in the aggregate.

I, the undersigned, on behalf of the bidder/vendor identified, hereby certify that, within the two previous calendar years (but excluding periods prior to January 1, 2007), no person identified below, as an individual and while in a position described below, has made one or more contributions totaling in excess of one thousand dollars (\$1,000.00) to the holder of the public office having ultimate responsibility for the award of the subject contract or to the public officer's campaign committee.

Said Persons Are:

- A. The individual owner, if the bidder is a sole proprietorship; or
- B. Each partner or owner, if the bidder is a partnership; or
- C. Each shareholder, if the bidder is an unincorporated business or an association, including without limitation a professional association, estate or trust; or

Request for Taxpayer Identification Number and Certification

Go to www.irs.gov/FormW9 for instructions and the latest information.

Give form to the
 requester. Do not
 send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1	Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)			
	2	Business name/disregarded entity name, if different from above.			
	3a	Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.		4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____ <i>(Applies to accounts maintained outside the United States.)</i>	
	<input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) <i>Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.</i> <input type="checkbox"/> Other (see Instructions) _____				
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions <input type="checkbox"/>				
	5	Address (number, street, and apt. or suite no.). See instructions.		Requester's name and address (optional)	
	6	City, state, and ZIP code			
7	List account number(s) here (optional)				

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Social security number									
or									
Employer identification number									

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

------------------	--------------------------	------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
